DRAFT

26 May 1982

MEMORANDUM FOR: Executive Director

FROM: Harry E. Fitzwater
Deputy Director for Administration

John H. Stein
Deputy Director for Operations

SUBJECT: Control Over Proprietary Procurements

REFERENCE: Executive Director Memo 82-0296/2,
dated 12 May 1982

1. Responding to the concerns which you expressed in reference memorandum regarding proprietary procurement activity, the following actions have been taken:

a. are being amended to ensure that the Director of Logistics concurs on all Administrative Plans; that the Administrative Plans will contain a statement as to the magnitude of procurement activity; that an Administrative Plan which contemplates procurement activity will contain a logistics annex; that the Director of Logistics will concur in the lease, purchase, construction and improvements of real property.

25X1

b. All active Administrative Plans have been reviewed to determine the appropriate level of participation by the Director of Logistics when procurement activity,

25X1
